Dear Harold,

This is in response to your letter of August 24 which I received today. I have discussed your letter with Arnold Forster. He suggested I turn it over to Irwin Suall, our national director of Fact-Finding.

I am turning your letter over to him and he will arrange for someone, probably Jason R. Silverman, director of our Maryland-D.C. regional office, to be in touch with you.

I am happy, of course, that Mort Kass has been in touch with you and that his discussion with you has proved fruitful. I assume that Irwin Suall will talk with Mort about the material you two discussed and what is to be done with it.

Give my regards and our affection to Lil.

Sincerely,

Sol
